

Mother's Morning Out Inclement Weather Closings

When inclement weather is a question, the school will try to communicate as quickly as possible what the plan for that day will be. If you are called to pick up your child, please do so immediately. We follow Richland District Two for Inclement weather. If the school is on a Two Hour Delay we will not open for the day. If the school closes for the entire day, we are closed as well. BUT, if the reasons the schools are delayed ONLY because of cold weather, we will open as normal. If there are bad or icy roads that cause the delay, then we will close. The schools have to take into consideration their bus routes. We do not. But remember I have teachers that have children in schools and I have to make sure I have coverage in the classrooms.

Other reasons to close:

- No electricity
- Heat or AC not available
- City or State agency declares a weather emergency

No policy can cover every potential emergency situation.

No adjustment will be made to session fees due to weather related closings or building issues.
