**Sermon Title:** The Power to Walk on Water

**Scripture text:** Mark 6:45-56

**Outline:**

1. What was Jesus thinking?
2. Is this rescue or revelation?
3. Is it okay to not be okay?

**Questions:**

1. **Ice Breaker Question** — Have you had times in your life where you felt frustrated, disappointed or even mad at God? How did you process those feelings at the time?
2. **Transition Question** — Why do you think Jesus sent his disciples on a boat to cross the other side without him while he went to pray alone?
3. **Observation Question** — Why does Mark say that Jesus “meant to pass by them”?
4. **Reflection Question** — How and where do we see the love, patience and gentleness of Jesus for broken people in this passage?
5. **Reflection Question** — What will do with your disappointments with God? Will you harden your heart? What does it mean to take those disappointments to Jesus with trust and confidence? How can you “take heart” and “not be afraid?”
6. **Application Question** — This week, pick out one area of struggle in your life and pray for God’s grace to help you behold the glory of Jesus as you continue to deal with that struggle.
