Title: What You Need in 2025
Text: 1 Pet 2:4-5, 9-10; Matt 5:13-16

1. What is the most unique group of which you have been a member?
2. Why are the pastors always pushing for people to join NEPC? What's the big deal about being a member?
3. What reasons have you heard for why people don't join or go to church?
4. How would you respond to a person who says they don't need to be in attend church (i.e. because it's full of hypocrites, religion is a private thing, I don't like the music, etc...)?
5. What are the benefits of an "active" membership?
6. The final point in the sermon was "We need you" – Thank you for being in either a Life Group or Sunday School class, you are already taking first steps in Discipleship; how does NEPC need you? Share how you are using your spiritual gifts to build up the church. Can you think of a way someone else in your group can fit in to the Body?
